To Our Valued Stretch Film Customers:

Due to an unexpected spike in ethane costs, resin suppliers are implementing a price increase effective on September 1st. There is also a second increase pending to take effect on October 1st. As a result, we must increase the pricing on our stretch film products.

There will be a 4% price increase for all products, effective on orders received on or after October 15th, 2018. All orders must call for immediate delivery.

It is very important to take note that orders will be limited based on your average monthly shipments over the last six months. We reserve the right to accept or decline orders for any reason.

Please contact your Sales Representative if you need any additional information.

Thank you for your continuing support of AmTopp stretch film products.

Sincerely,
