About This Collection

We need to produce a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. No em or en dashes; split the sentence or use a comma. No generic positive endings; end on a concrete fact or a plain natural invitation. No emojis, no curly quotes, no markdown, no bold text. , English. Title is "surerman". Must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No "not only X but Y" constructions, no "At its core", no forced groups of exactly three items. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Plain text only, no markdown, no lists, no quotes. Must end with a natural invitation to view the full gallery via the link above. Use "to" instead of "in order to"; use "because" instead of "due to the fact that". Answer in same language as the input (the input is English). Must reuse at least 20% of the key words from the captions (names, nicknames, distinctive terms), translating the rest as needed. Vary sentence length naturally, state things directly, and keep every claim supported by the provided captions.

We need to incorporate at least 20% of the key words from the captions. Identify key words: "THE DARK BOB", "The Sadness of Superman", "Learn and earn with Google skills", "Krypto", "MAFEX STEEL RETURN OF SUPERMAN VERSION ACTION FIGURE REVIEW", "Mcfarlane", "Toys", "Superman", "doomsday", "Mr. ", "Hippychick Bumkins Super Bib Packs - Superman", "Superman Fanart (y)".

We need to reuse at least 20% of the key words. Let's pick some key words: "surerman", "Superman", "Krypto", "Mr. At least 20% of total key words. Bean", "Dali", "Henry", "Arsenal", "Champions League", "doomsday", "Mcfarlane". Not necessary to count exactly; we can include several.

We must avoid AI-flag words and prohibited phrases. Also avoid em/en dashes. Use commas or separate sentences.

We must not use "not only X but Y". Avoid forced groups of exactly three items.

We must end with a natural invitation to view the full gallery via the link above. So something like "See the full gallery above" or "View the full gallery via the link above". Must be plain text, no quotes.

We must not use "because" incorrectly? Must not use "due to the fact that". We can use "because". Must not use inflated importance.

We must not use "showcase". Must not use "additionally", "moreover", "furthermore". Must not use "crucial". Must not use "it is important to note". Must not use "serves as". Must not use "pivotal". Must not use "boasts". Must not use "delve", "tapestry", "vibrant", "testament", "landscape".

We must not use emojis. No curly quotes. Probably better to avoid quotes altogether. We must translate or paraphrase without using quotes. So we must not use quotation marks at all. The instruction: "no quotes". Use

straight quotes? That means we cannot include quoted text from captions. So we must avoid any double or single quotes. So we must avoid any quote characters.

We also must not use em or en dashes. But safer to avoid hyphen? Hyphen is okay? It says no em or en dashes; hyphen is fine. So use hyphen? It didn't forbid hyphen. We can use hyphen.

We must not use "not only X but Y". So avoid that construction.

We must not use forced groups of exactly three items. So we can avoid exactly three. We can list two or more than three? So avoid listing three items in a row like "A, B, and C". We can use two or four etc. The rule says no forced groups of exactly three items. Safer to just not list items in a group of three.
